If you have your own containers, you can get new bags by tying an empty one to the handle - or ask your landlord

**RESIDUAL WASTE**

- ✓ USE A BAG

**MAKE SURE TO PACK THE BOX SO THINGS DON'T TIP OVER. THEN CLOSE THE BOX LID PROPERLY**

**PLACE THE BOX OUT FOR EMPTYING WHEN IT IS FULL OR WEIGHS MAX 4 KG**

If you have your own containers, place the full box on top of the next container to be emptied and the waste collector will exchange it for an empty one.

If you live in a place where there are communal bins, ask your landlord or caretaker how to empty your bin.

**SPRAY CANS**

**BATTERIES**

✓ PLACE IN A CLEAR BAG TIED WITH A KNOT

**HAZARDOUS WASTE**

✓ SCREW THE LID ON - even if the container seems empty. Mixed residues can give off hazardous vapours
